Help us raise £45 to feed the patients at Naini hospital, India for a day

Serving lunch to long-term leprosy patients at Naini hospital

# Please help us by holding a Coffee and Care event to help feed all the patients of Naini community hospital in India for a day!

## Help raise just £45 to feed an entire hospital!\*

Dear Friends

I am very pleased to introduce you to Coffee and Care. It is an exciting way to help The Leprosy Mission by holding an event to raise support for Naini community hospital in India. Patients come from all over northern India to receive treatment and support and the hospital cares for approximately 16,000 leprosy-affected and 38,000 general patients every year. It is one of the largest medical centres in the region with 110 beds for in-patients. The main focus of the hospital is leprosy care but in this impoverished region most medical conditions are treated on a pay-as-you-can basis. Coffee and Care will be raising support to buy all the patients' food for the entire year.

Could you hold an event and raise just £45 for them? Churches, youth groups and schools in the East of England region supported Coffee and Care in 2009 and held: **coffee mornings, Church refreshments, prayer breakfasts, pudding evenings and Church lunches.** **What could you do?**

Please consider supporting Coffee and Care. If you don't feel you could organise something yourself, why not ask someone else? There is always someone you know who loves holding an event. Here are a couple of quotes from churches that got involved in 2009.

**"It was truly amazing to see the response of everybody."**

Nancy Powell, Christ Church, Coggeshall, Essex

**"This was a super idea to aid fundraising especially for the small church - everybody felt they could achieve something positive and that they did!"**

Geoff Green, Great Leighs Free Church, Essex

On the reverse side of this letter is a poster for you to use and below is a response form. We've kept it very simple so every penny can go to feed the patients at Naini community hospital. If you have any questions or would like more posters please contact your area coordinator. **Please do consider holding a Coffee and Care event and supporting this tremendous project.**

\*This is an approximate figure as the actual daily cost of food varies with the number of in-patients and the fluctuation in the exchange rate.

Please accept this donation towards feeding the patients at Naini community hospital in India for a year.
