**Can you feed a teenager for 20p a day? Yes, you can!**

Students enjoying an open-air lunch at a vocational training centre

# Please help us by holding a Coffee and Care event for the students of Bankura vocational training centre in India!

## Help raise just £30 to feed 150 students for a day!

Dear Friends

Coffee and Care proved so successful in 2009 that we are repeating it again in 2010. I hope you will join us to support the work of Bankura vocational training centre in India. Bankura accepts young people from leprosy affected families and trains them in practical qualifications to give them a real chance of overcoming the affects of leprosy. The courses last from six months to two years and include dressmaking, printing, welding and engineering. They help the young people to support themselves and sometimes parents disabled by leprosy. Bankura provides a wonderful opportunity and a positive response to leprosy.

Coffee and Care will be raising support for student food and we hope to raise enough to feed the students for an entire year. Could you hold an event and raise just £30 for them? In 2009 churches, youth groups and schools did many different activities to raise £30 for a day's food, they included: **Coffee mornings, Church refreshments, prayer breakfasts, pudding evenings and Church lunches. What could you do?**

Please consider supporting Coffee and Care. If you don't feel you could organise something yourself, why not ask someone else? There is always someone you know who loves holding an event. Here are a couple of quotes from churches that got involved in 2009.

**"It was truly amazing to see the response of everybody."**  
Nancy Powell, Christ Church, Coggeshall

**"This was a super idea to aid fund raising especially for the small church - everybody felt they could achieve something positive and that they did!"**  
Geoff Green, Great Leighs Free Church

On the reverse side of this letter is a poster for you to use and below is a response form. We've kept it very simple so every penny can go to feed the students at Bankura vocational training centre. If you have any questions or would like more posters please let me know. **We need over 360 churches and groups to take part if we are to reach our target. Please do consider being one of them.**

Mike Griffin, East of England Area Coordinator

Please accept this donation towards feeding the students at Bankura vocational training centre in India for a year.
