Help us raise £30 to feed the patients at Purulia hospital, India for a day

Enjoying lunch at a Leprosy Mission centre

Please help us by holding a Coffee and Care event to help feed all the patients of Purulia community hospital in India for a day!

Help raise just £30 to feed an entire hospital!

Dear Friends

I am very pleased to introduce you to Coffee and Care. It is an exciting way to help The Leprosy Mission by holding an event to raise support for Purulia community hospital in India. The hospital is in the state of West Bengal which has a population of 68 million people. Patients come from the whole region to receive treatment making Purulia a very busy hospital. It has 250 beds for in-patients and its main focus is leprosy care but in this impoverished state most medical conditions are treated on a pay-as-you-can basis. Coffee and Care will be raising support to buy all the patients' food for the entire year.

Could you hold an event and raise just £30 for them? Churches, youth groups and schools in the East of England region supported Coffee and Care in 2009 and held: coffee mornings, Church refreshments, prayer breakfasts, pudding evenings and Church lunches. What could you do?

Please consider supporting Coffee and Care. If you don't feel you could organise something yourself, why not ask someone else? There is always someone you know who loves holding an event. Here are a couple of quotes from churches that got involved in 2009.

**"It was truly amazing to see the response of everybody."**

Nancy Powell, Christ Church, Coggeshall, Essex

**"This was a super idea to aid fundraising especially for the small church - everybody felt they could achieve something positive and that they did!"**

Geoff Green, Great Leighs Free Church, Essex

On the reverse side of this letter is a poster for you to use and below is a response form. We've kept it very simple so every penny can go to feed the patients at Purulia community hospital. If you have any questions or would like more posters please let me know. We need over 360 churches and groups to take part if we are to reach our target. Please do consider being one of them.

Area Co-ordinator

Please accept this donation towards feeding the students at Purulia community hospital in India for a year.
