

Thank you for considering volunteering with The Leprosy Mission England and Wales (TLMEW). We hope you will become part of our family as we build relationships with churches and groups sharing our passion to reach out to people affected by leprosy. Jesus gave us our mandate and example and we strive to do what he did first and honour his heart for some of the world's most marginalised and stigmatised peoples.

Churches are our family here at The Leprosy Mission and we strive to maintain and strengthen our relationships with them. Churches are key to proclaiming our message and engaging with people who we consider to be our brothers and sisters.

We are looking for someone who is enthusiastic, passionate and willing to consistently fundraise for us. You will be excited by organising events and getting people together socially to have fun as well to raise awareness and financial support for us.

Purpose of the role

As a local fundraiser you will be a vital part in growing awareness for TLMEW. It is crucial that more people are aware of the heart breaking consequences of leprosy and the in depth work we do overseas to eradicate this disease and transform lives of people affected by leprosy. Whether it is a regular event or a one off fundraising plea, we really appreciate all the fundraising you organise. It truly does impact those affected by leprosy!

Typical tasks include:

- You will be responsible for raising awareness and financial support for the work of TLMEW – this can be for a particular Project, Gifts for Life or general funds to support those affected by leprosy
- Creating and organising events using your own local network and communication methods – we do have a fundraising guide to help you!
- To encourage others to sign up to support our mission whether it is through prayer, church or financial support
- Ensuring you are safe when your fundraising activities are carried out using a risk assessment and adhering with health and safety guidelines
